Price River Distribution System,
Price, Utah.

Gentlemen:

We submit herewith our bid for the job of Water Commissioner on the Price River System for the season of 1980 at \$4000.00 for the year to be paid 2000.00 to each of us in 12 monthly payments (or semi-monthly). We also expect two weeks vacation ~~pay~~ *with pay*.

It will require 15000 miles auto travel to do this job. We will expect 42 ¢ per mile so long as the price of gasoline is not over \$1.10 per gallon. Should the price of gasoline raise above \$1.10 per gallon, we would expect 1¢ per mile for each 2½ cents in the cost above the \$1.10 per gallon.

Any consideration you can give in recommending us to the State Engineer for the job will be appreciated.

Thanking you,

Steve Lowley
